## Controlled Substance Prescription Policy

It is the policy of Edmonds Family Care providers NOT to prescribe highly addictive pain medications including Narcotics or other similar Controlled Substances.

If you are currently taking any of the following medications on regular basis, or ones similar to any them, you should seek medical care at Pain Management Clinic:

- Vicodin
- Percocet
- Lortabs
- Oxycodone
- Methadone
- Fentanyl
- Duragesic
- Hydrocodone
- Tylenol#3 or #4
- Demerol
- Meperidine
- Morphine
- Darvocet
- Tramadol
- Darvon
- Propoxyphene
- Ativan
- Darvocet
- Librium
- Oxycontin
- Amobardital
- Butibarbital
- Nembutal
- Seconal
- Serax
- Restoril
- Tranxene
- Klonopin
- Benzodiazepine

Narcotic drugs can affect the body in various ways. There are of course legitimate uses for them, like treating pain, anxiety, aggression and even diarrhea. However, they are highly addictive and what starts out as a prescribed medication can often turn into an illegal situation of prescription pill abuse.

Breaking this policy may result in your dismissal from the practice.

Your signature below indicates you understand and accept the policy outlined above.

# Payment Policy

Thank you for choosing us as your primary care provider. We are committed to providing you with quality and affordable health care. Because some of our patients have had questions regarding patient and insurance responsibility for services rendered, we have been advised to develop this payment policy. Please read it, ask us any questions you may have, and sign in the space provided. A copy will be provided to you on request.

1. **Insurance.** We participate in most insurance plans, including Medicare. If you are not insured by a plan we do business with, payment in full is expected at each visit. If you are insured by a plan we do business with but don't have an up to date insurance card, payment in full for each visit is required until we can verify your coverage. Knowing your Insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.
2. **Co-payments and deductibles.** All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure no our part to collect co-payments and deductibles from patient can be considered fraud. Please help us in upholding the law by paying your co-payment at each visit.
3. **Non-covered services.** Please be aware that some—and perhaps all—of the services you receive may be non-covered or not considered reasonable or necessary by Medicare or other insurers. You must pay, for these services in full at the time of Visit.
4. **Proof of Insurance.** All patients must complete our patient information form before seeing the doctor. We must obtain a copy of your driver's license and current valid insurance to provide proof of insurance. If you fail to provide us with the correct insurance information in a timely manner, you may be responsible for the balance of a claim.
5. **Claims submission.** We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your Insurance Company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your Insurance Company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract.
6. **Coverage changes.** If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive you maximum benefits. If your insurance company does not pay your claim within 45 days, the balance will automatically be billed to you.
7. **Nonpayment.** If your account is over 90 days past due, you will receive a letter stating that you have 20 days to pay your account in full. Partial payments will not be accepted unless otherwise negotiated. Please be aware that if a balance remains unpaid, we may refer your account to a collection agency, and you may be discharged as a patient. If this occurs, you will be notified by regular and certified mail that you have 30 days to find alternative medical care. During that 30-day period, our physician will be able to treat you only on an emergency basis.
8. **Missed appointments.** Our policy is to charge \$25 for missed appointments not canceled within 24 hours. These charges are your responsibility and will be billed directly to you. Please help us serve you better by keeping your regularly scheduled appointment.

Our practice is committed to providing the best treatment to our patients. Our prices are representative of the usual and customary charges for our area.

Thank you for understanding our payment policy. Please let us know if you have any questions or concerns. I have read and understand the payment policy and agree to abide by its guidelines:
